## **CARTE DES VINS...**

**“Accept what life offers you and try to drink from every cup. All wines should be tasted; some should only be sipped, but with others, drink the whole bottle.”**

**-Paulo Coelho**

**Wine making started around 550 B.C.; we are just maintaining the legacy. This informs everything we do. Starting from selection of the best wines to serving and everything in between. Everything is curated with a focus on the authenticity and the passion behind. It is a cliché among winemakers that "wine is made in the vineyard." The process of wine tasting says we should look, smell, taste and think the wine.**

**At Pullman Novotel, we offer you with the exclusive collections of Old World Wines to New World Wines, providing with a unique selection from the best of the vineyards across the World.**
